LEFT THE FRAME.—Job White, who lives at 258 South Tenth East street, was the owner of a bicycle when he left the city a few weeks ago on a visit. He returned Friday and found the frame of his wheel, but the wheels had gone. On his departure he had stored it in an outhouse near his home and thought he had it locked up securely. On returning he discovered that someone who was badly in need of two wheels to complete the construction of another bicycle had forced open the door and with a wrench had removed the main features of his wheel.

DIED FROM A FALL—As a result of a fall which he received from a bunk in the city jail Thursday, Hans Rasmussen died yesterday morning at the Holy Cross hospital. His skull was fractured by the fall, being injured to such an extent as to cause his death. Rasmussen was picked up on the street Tuesday night by Officer Randolph. He had failen a number of times in an epileptic fit during the evening and was taken to the city jail, where he was given lodging for the night. Dr. Raley, acting city physician, ordered the man sent to the hospital as soon as he had been called, and performed an operation Friday.

MADE CLEVER CAPTURE.—George Thompson, an ex-soldier, is the beire-

man operation Friday.

MADE CLEVER CAPTURE.—George Thompson, an ex-soldier, is the beneficiary of a clever piece of work on the part of Detectives Chase and Gillespie, who have recovered for him four drafts of \$50 each, which he had left in the possession of two acquaintances. According to the story told the officers, Thompson was on the way to New York with a companion by the name of Henry Spencer. Spencer had taken charge of the ticket to New York and also the drafts. He disappeared and the affair was reported to police headquarters. Officers Chase and Gillespie were detailed on the case and located Spencer at Grand Junction, Colo. Thompson left yesterday afternoon for that city in the hopes of recovering his property.

NO EXTRA DEPUTIES.—The county commissioners yesterday refused to appoint 150 deputy sheriffs, to act during the coming Elks' convention. Several days ago the sheriff, on behalf of Chairman Leary of the executive committee of the Elks, made the request, and when the matter was called to the attention of the commissioners at their meeting yesterday afternoon they instructed County Clerk James to let the sheriff know "that the most amicable relations exist between the county and city of Salt Lake, and that the latter is amply able to exercise the police powers conferred upon it; also that interference therewith cannot be regarded otherwise than an intrusion. Therefore, the commissioners suggest that the sheriff make no appointments."

VETOED BY MAYOR.

Expresses His Opposition to Bicycle Path Ordinance.

The bicycle ordinance which provides for the construction of bicycle paths along the sidewalks of the streets in the unpaved districts, from funds collected from a proposed annual license of \$1, imposed upon bicycle riders, was yesterday vetoed by Mayor Thompson. In giving his reasons for his action, the city's chief executive puts himself on record as not being hostile to the measure, being willing to approve of it if certain sections are changed.

The chief objection found by the mayor is that the ordinance provides for the filling up of the irrigation ditches and constructing them outside the proposed bicycle paths. Such a measure, the mayor reasons, will prove injurious to the city, as it takes away the chief officeages of Mrs. McEvoy will be held at the home, 229 East Seventh South, held at the home, 229 East Seventh South, held at the home, 229 East Seventh South, all thehose, 229 East Seventh South, all the home, 229 East Seventh South, all the home, 229 East Seventh South, held at the home, 229 East Seventh South, all the home, 229 East Seventh South, held at the home, 229 East Seventh South, all the home, all the home, 229 East Seventh South, all the hody and 12 p.
